Correct the following postcard Alice wrote to Aaron.

Hi Aaron,  
I'm having a great time there in Fiji. It's a very interested place. You should come any day and see it for yourselves. I've done some friends. They are so nice and polite. We often goes to the beach and swim all day. Of course, you must put on many sunscreen in order to avoid sunburns. I hope to come for a couple of weeks to LA next spring. Oh, I have to tell you of this guy I met. Gorgeous, 6'3", suntanned, 007 looks, etc. Do I have to tell you more? We go on the beach every morning to watch the sunrise. Well, you are going to meet her when you come here. You could see I'm having a fantastic time here.  
Love,  
Alice
